

*Agro Queens*

**TIME FOR FRESH,  
FRESH ON TIME!**

**Agro Queens**  
is a leading supplier of fresh fruit &  
vegetables with top product apples

## About Us

Agro Queens is a leading supplier of fresh fruit & vegetables with top product apples. Thanks to our location in the heart of Europe's largest apple-growing area, first-class technical support and many years of trading experience Agro Queens meets the highest quality standards

**The highest quality and safety of our products are proved by Global G.A.P. Chain of Custody certificate. We also implemented ORGANIC CERTIFICATE.**

We offer fresh conventional and organic fruit and vegetables, a full range of attractive packaging according to individual preferences.

We operate for retail chains, wholesalers, distributors and processing plants. We provide our services mainly to the European Union countries.

We guarantee:

- **Fixed prices and delivery on time**
- **Flexibility in logistic**
- **Products traceability**
- **complete pre-sales and post-sales service**

Anything is possible – let's save miracles for tomorrow.

We produce locally and sell globally. All of our products comply with provisions applicable in the European Union. We thoroughly control commodities and inspections are also conducted immediately before loading.

We cooperate with reliable transport companies, thanks to which we can ensure timely supplies and care for the load.

**GLOBALG.A.P.**

# Organic fruit

## Our advantages:

- certificated apples sorting plant
- wide range of assortment
- following the trend
- 12 producers
- 250 ha of organic orchards
- Agronomic Supervisor
- flexibility

Agro Queens unite 12 certificated producers. Total size of organic orchards is over 250 ha, the least producer has 10 ha, the biggest has 60 ha. The producers are supervised by Agro Queens agronomic specialist.

We cooperate with many companies in Scandinavia, Germany, Belgium, the Netherlands and France.

**Agro Queens as the first exporter of organic fruit has a mission to create a knowledge of healthy products. Our company is precursor of the idea of organic apples production in Poland.**

Together we can care  
about our future!

**Agro Queens**  
offers fruit and  
vegetables for industry.
